Essay (Take Home):

Answer ONE of the following using the five paragraph essay with an introduction, body, and conclusion (20 points).

1. Compare the city-state of Athens and Sparta. How were their societies similar and how were they different? Compare the social classes in Spartan society with those in Athenian society. Which city-state would you prefer to live in? Explain your reasoning.
2. Explain the causes and consequences of the Peloponnesian War.
3. What characteristics of government and democracy that developed in Athens can be found in American government today?
4. How did the actions of Alexander the Great help to encourage the spread of Hellenistic culture? What special qualities made Alexander the Great a remarkable leader?
5. What is the legacy of ancient Greece? Why is it called the “Crucible of Civilization?” What are the powerful intellectual, social and political force that characterize this remarkable civilization? Identify and explain Greek accomplishments in mathematics, science, or literature that influence our world today.
